

# GORN!

I changed the color saturation on the Gorn by Gillus to match those of Baxart. I modified Baxart's Gorns by creating backs for them, and modifying the champion's weapon to match that of the leader. The priestess is untouched and only included for completeness.

The capes used in my modifications of Baxart's Gorn were swiped from Jabbro Jones NPC Encounter Set 1 available for free at <http://www.drivethrurpg.com/product/65069/Jabbro-Jones-Minatures-Fantasy-NPCs-Free-Fantasy-NPC-Encounter>. I used the capes as covers, because I am just really bad at making backs (or fronts, for that matter.)
