

25x50mm Rectangle [Onemonk.com](http://Onemonk.com)

There's nothing wrong with your eyes, these designs are offset so you can alternate placing them in ranks.

25x50mm Rectangle [Onemonk.com](http://Onemonk.com)

There's nothing wrong with your eyes, these designs are offset so you can alternate placing them in ranks.

The image shows a 4x4 grid of rectangles. The rectangles in the first and third columns are filled with a dense pattern of red and black dots. The rectangles in the second and fourth columns are white. This visualizes the concept of offset placement, where designs are staggered between ranks to allow for alternating placement.
