Diagram of a 4-sided die (d4) with faces labeled 0, 4, 7, and 8. The faces are colored red, orange, yellow, and green respectively. The die is shown in a perspective view, with the top face (0) and the front face (4) visible. The die is labeled "4" in the top right corner and "0" in the bottom left corner. The faces are labeled "bonus d3" (0), "fudge" (4), "scatter" (8), and "d12" (7).

The figure shows a 4x4 grid of 16 dice faces. The grid is labeled 'fudge' at the top and 'scatter' at the bottom. The dice faces are arranged as follows:

Row	Col 1	Col 2	Col 3	Col 4
1	Blue pentagon (11)	White octagon (8)	Purple hexagon (13)	Grey circle (+)
2	Orange triangle (4)	Red square (1)	Yellow triangle (1)	Green diamond (2)
3	Orange square (+)	Blue pentagon (11)	White octagon (8)	Purple hexagon (13)
4	Red square (1)	Yellow triangle (1)	Green diamond (2)	Grey circle (+)
